*Circular No.* 204—*TADB.* ii, *dated* 10*th August* 1931.

SUBJECT.—**Instructions regarding the manner of accounting of the transactions pertaining to "Elementary Education Fund."**

To

All Treasury Officers.

In continuation of this office circular No. 200—TADB., dated 30th June 1931, regarding the payment of establishment and other bills relating to Elementary Schools from 1st July 1931 and laying down that the *gross amounts* of such bills should be charged to a separate fund head "Elementary Education Fund" in the Treasury Accounts, the following supplementary instructions regarding the method of accounting of the transactions pertaining to this fund from 1*st September* 1931, are issued for the guidance of Treasuries in accordance with G. O. No. E. 73-74—Edn. 420-30-2, dated 3rd July 1931.

1. There will be one school board for each Revenue district and in addition there will be separate school boards for (i) Bangalore City (ii) Mysore City (iii) Tumkur town and (iv) the Kolar Gold Fields area. The instructions contained in this circular are wholly applicable only to (*a*) the eight district school boards and (*b*) school board for the Kolar Gold Fields area.

2. The Fund head Elementary Education Fund" now opened on the payment side of the Treasury Accounts will be opened on the receipt side also, after the head "Municipal Funds."

3. Education cess that was hitherto being credited to "District Funds" and subsequently invested in the Savings Bank will in future be credited to this new fund head in the Treasury accounts at the end of each month. The amount now held in the Savings Banks together with interest for 1930-31 added to it will be withdrawn from the Savings Bank account and credited to the Fund head. Education cess if any collected by the municipalities will also be credited to this Fund head. Other receipts, if any, such as Government grant, contributions, recoveries of overpayments, etc., pertaining to the Fund remitted to the treasuries by or on behalf of the School Board will also be credited under the Fund head.

*Note.*—Recoveries of personal advances (such as advance of pay on transfer, plague shed advances, House Building Advances, Bicycle Advances, etc.) will be credited under "Education Payments into treasuries" and not under the Fund heads.

4. At present the entire Education cess realised in the Kolar District is being credited to "District Funds—Kolar." According to G. O. No. E. 523-6—Edn. 354-30-2, dated 1st August 1931, Education cess will be levied in the Kolar Gold Fields Sanitary Board area also on all items of State Revenue on which Local cess is levied. The education cess levied in the Kolar Gold Fields Sanitary Board area and that levied in other areas of the Kolar District will be credited to the Accounts of the School Board, Kolar Gold Fields and Kolar District respectively, in the same way as Local cess is now apportioned among Kolar Gold Fields Sanitary Board Funds and Kolar District Funds.

5. The establishment and travelling allowance bills pertaining to the kinds of schools noted below which are transferred to the control of the school boards, drawn hitherto by the Assistant Inspectors will be prepared by them as *Ex-officio* School Board Assistants hereafter and sent to the *School Board Officer* for *countersignature* and transmission to the concerned Amildars for encashment and disbursement. Bills for supplies and services will either be *drawn or countersigned by the School Board Officer* before encashment. The *gross amount* (and not net amounts) of these bills will be charged to the Fund head referred to in para 2, the deductions from bills being credited to the appropriate heads of account (Insurance Fund, State Provident Fund, etc.)

1. Government Incomplete Middle Schools for boys and girls, reduced to the status of Elementary Schools.
2. Government Primary Schools for boys and girls.
3. Village Aided Schools and Village Panchayet or Experimental Schools.
4. Adult Night Schools.

*Note.*—1. Bills for personal advances (such as advance of pay on transfer, plague shed advance, House Building advances, Bicycle Advances, etc.,) will be charged to "Education Bills paid" and not to the Fund head.

*Note.*—2. Special care should be taken to see that all bills pertaining to the fund are either passed or countersigned by the School Board Officer before encashment.

*Note.*—3. The following are the School Board Officers :—

| | |
|---|---|
| District School Boards | District Educational Officers. |
| School Boards of Mysore City and Tumkur Municipalities. | Assistant Inspectors of the Ranges. |
| School Board of the Bangalore City Municipality. | Superintendent, Municipal Schools, Bangalore. |
| School Board of the Kolar Gold Fields area | Assistant Inspector, Bowringpet Range. |

6. The transactions pertaining to the fund (both receipts and payment) will be recorded by the treasuries in a subsidiary register in Form 118 M. C. A. C. Vol. II, the transactions of each School Board being recorded in separate columns and separate balances for each School Board being worked out therein. On the payment side, the number of the bill assigned in the School Board Office and date of passing or countersignature by the School Board Officer should also be noted in the register.

7. Copies of the Treasury subsidiary register will be prepared in triplicate (as in the case of Education receipt and payment schedules) by means of carbon paper. One copy will be filed in the treasury and the other two copies with the connected challans and vouchers will be sent to the District Treasury. The District Treasury will prepare, as usual, an abstract for the whole District (showing separately) the opening balance, receipts, payments and closing balance (for each school board) and send one copy of the abstract (with one copy of the subsidiary register) to this office with the monthly accounts. Another copy of the abstract and the subsidiary register will be sent with the connected challans and vouchers, to the Director of Public Instruction, Financial Branch, Bangalore on or before the 7th of the succeeding month. The total receipts and payments for the district worked out in the abstract should be agreed with the amounts credited and charged to the head "Elementary Education Fund" in the District Treasuay cash account sent to this office and a certificate recorded in the above abstract. (Plus and minus memo).

8. A pass book will be maintained by each School Board Officer in which, the District Treasury will enter in detail the monthly transactions under the Fund head in all the treasuries pertaining to the concerned School Board and also (1) Opening balance (2) Total receipts (3) Total payments and (4) Closing balance, for each month.

9. As regards the funds required by the School Boards of the Bangalore City and the Tumkur Town, the present procedure of payment out of the concerned Municipal Funds in the first instance and drawing the Government grant separately on bills will continue and the transactions of these two School Boards will not therefore appear under the Fund head. The same procedure will be followed in respect of the Schools under the control of the Mysore City Municipality. In respect of other Schools in the Mysore City that are transferred to the Local Educational Authority, the procedure detailed in paras 2 to 8 above will apply except that there will be no credit on account of Education Cess.

10. It will take some time to calculate and fix the annual Government grant payable to each Local Educational Authority. Till this is fixed and the Government grant is transferred to it and the fact of adjustment communicated to the treasuries, the Treasury Officers are authorised to pay bills pertaining to the Fund even in the absence of sufficient balance at credit. But the actual balances from time to time (whether credit or debit balances) in respect of each School Board should be worked out in the Treasury subsidiary registers, pass books and in the abstract for the District (plus and minus memo) sent to the Audit Office and the Director of Public Instruction, Financial Brach, Bangalore.

11. The expenditure charged to the Fund head pertaining to each School Board till the end of August 1931 will be intimated to the School Board and to the Treasury in due course by the Director of Public Instruction, Financial Branch, for note in the departmental and treasury books and for reducing the balance under the Fund head in the pass book, the subsidiary register and in the School Board Accounts.

COMPTROLLER'S OFFICE, BANGALORE.

*Circular No. 2—S. L., dated 11th August 1931.*

As Amended on 29th August 1931.

MEMO OF INSTRUCTIONS TO HOLDERS OF 7 PER CENT MYSORE GOVERNMENT BONDS OF 1931.

The principal of the 7 per cent Bonds which are due to be discharged on 1st November 1931 will be repaid at the office of the Comptroller to the Government of Mysore, Bangalore, or the Treasuries or Banks in which the interest thereon is being paid now, *viz.*, Treasuries in the Mysore State, the District Treasuries in British India and the Bank of Mysore, Ltd., Bangalore, and the offices of the Deputy-Controllers of the Currency, Bombay and Calcutta.

2. As 1st November 1931 happens to be a Sunday, the principal will be repaid on the previous day, *i.e.*, 31st October 1931. The interest due for the half-year ending 31st October 1931 will also be repaid on 31st October 1931 along with the principal.

3. The Paying Officers are authorised to make payments straight away without consulting the Comptroller, Bangalore, in only certain cases, and are required in other cases to send the bonds for examination to him. To avoid delay in payment, which may be caused by this procedure, holders are requested to lodge their bonds with the Officers authorised to pay the principal as noted above or to send them over to the Comptroller, Bangalore, for the examination of endorsements one month previously, *i.e.*, from 1st October 1931. This will facilitate the principal being repaid on the due date.

4. Holders of stock certificates should intimate any change of address to the Comptroller to the Government of Mysore, Bangalore, at once. They should arrange to complete any transfers they wish to make, well before the due date. They will get the principal repaid by the officers, who pay the interest warrants for the last half-year.

5. The securities tendered by the holder should be duly discharged under his signature as "Received the principal due on this note or stock certificate" as the case may be. In cases where more than one bond is presented for payment, the following alternative form of discharge may also be adopted. The discharge on one bond should be as "Received the principal of Rs..... .....due on this bond and bonds numbered..... ....." On all the other bonds the discharge will be as "Received the principal of this bond as specified on bond number....." (the first bond.)

6. Where the title to give discharge or to endorse the bond has been derived from a legal document other than a power of attorney, *e.g.*, a succession certificate, probate, etc., such documents will have to be previously accepted by the Comptroller, Mysore Government before payment can be made. The bonds and the documents should therefore be sent to him well in advance of the due date.

7. The signature of a lady in a language other than English or Kannada will have to be transliterated into English and authenticated by a stipendiary Magistrate or the Treasury Officer.

8. The discharge receipt and thumb impression of an illiterate person should be attested by a stipendiary Magistrate or the Treasury Officer as follows:—

"Certified that the above discharge receipt was explained to.....and he is satisfied with the meaning and effect of the discharge receipt in token of which he has affixed his left thumb impression before me."

Signature.....

9. Any further information required may be obtained from the interest paying officers or from the Comptroller, Mysore Government, Bangalore.

## COMPTROLLER'S OFFICE, BANGALORE.

*Circular No.* 2—*S. L., dated* 11th *August* 1931.

As Amended on 29th August 1931.

### MEMO OF INSTRUCTIONS TO HOLDERS OF 7 PER CENT MYSORE GOVERNMENT BONDS OF 1931.

The principal of the 7 per cent Bonds which are due to be discharged on 1st November 1931 will be repaid at the office of the Comptroller to the Government of Mysore, Bangalore, or the Treasuries or Banks in which the interest thereon is being paid now, *viz.*, Treasuries in the Mysore State, the District Treasuries in British India and the Bank of Mysore, Ltd., Bangalore, and the offices of the Deputy-Controllers of the Currency, Bombay and Calcutta.

2. As 1st November 1931 happens to be a Sunday, the principal will be repaid on the previous day, *i.e.*, 31st October 1931. The interest due for the half-year ending 31st October 1931 will also be repaid on 31st October 1931 along with the principal.

3. The Paying Officers are authorised to make payments straight away without consulting the Comptroller, Bangalore, in only certain cases, and are required in other cases to send the bonds for examination to him. To avoid delay in payment, which may be caused by this procedure, holders are requested to lodge their bonds with the Officers authorised to pay the principal as noted above or to send them over to the Comptroller, Bangalore, for the examination of endorsements one month previously, *i.e.*, from 1st October 1931. This will facilitate the principal being repaid on the due date.

4. Holders of stock certificates should intimate any change of address to the Comptroller to the Government of Mysore, Bangalore, at once. They should arrange to complete any transfers they wish to make, well before the due date. They will get the principal repaid by the officers, who pay the interest warrants for the last half-year.

5. The securities tendered by the holder should be duly discharged under his signature as "Received the principal due on this note or stock certificate" as the case may be. In cases where more than one bond is presented for payment, the following alternative form of discharge may also be adopted. The discharge on one bond should be as "Received the principal of Rs..... .....due on this bond and bonds numbered..... ....." On all the other bonds the discharge will be as "Received the principal of this bond as specified on bond number....." (the first bond.)

6. Where the title to give discharge or to endorse the bond has been derived from a legal document other than a power of attorney, *e.g.*, a succession certificate, probate, etc., such documents will have to be previously accepted by the Comptroller, Mysore Government before payment can be made. The bonds and the documents should therefore be sent to him well in advance of the due date.

7. The signature of a lady in a language other than English or Kannada will have to be transliterated into English and authenticated by a stipendiary Magistrate or the Treasury Officer.

8. The discharge receipt and thumb impression of an illiterate person should be attested by a stipendiary Magistrate or the Treasury Officer as follows :—

"Certified that the above discharge receipt was explained to.....and he is satisfied with the meaning and effect of the discharge receipt in token of which he has affixed his left thumb impression before me."

Signature.....

9. Any further information required may be obtained from the interest paying officers or from the Comptroller, Mysore Government, Bangalore.

**Facilities for reinvestment of holdings in Mysore 7 per cent Bonds of 1931.**

As already notified in Circular No. 2—S. L., dated 11th August 1931, arrangements have been made to repay in cash on 31st October 1931, the principal of the Mysore Government 7 per cent bonds, in British India and in Mysore State, at all places at which interest on them is now being paid.

To meet the wishes of such holders, as far as possible, the Government of His Highness the Maharaja of Mysore have authorised the undersigned to issue 5 per cent and 5½ per cent tax free Mysore bonds in exchange for the 7 per cent bonds **at the option of the holders** subject to the following conditions:—

(i) This offer will be open from the date of this Notification up to 31st October 1931 inclusive.

(ii) Five per cent 1955 and 5½ per cent 1938 bonds will be issued in exchange for 50 per cent of the face value of 7 per cent bonds tendered (to the next higher complete hundreds), the balance being paid in cash.

(iii) The exchange will be effected at the original issue price of the bonds namely 95 per cent in the case of 5 per cent bonds 1955 and 100 per cent in the case of 5½ per cent 1938 bonds.

(iv) Interest up to the half-year ending 31st October 1931 on the 7 per cent bonds exchanged will be paid in full at the time of exchange but interest on the 5 per cent and 5½ per cent bonds issued in exchange will accrue only from 1st November 1931.

(v) Holders desirous of exchanging their 7 per cent holdings for 5 per cent or 5½ per cent bonds or of cashing their holdings earlier than 31st October 1931 or requiring further particulars or facilities in regard to the exchange they desire to effect, may apply to the Comptroller, Mysore Government, Bangalore.

*Circular No. 2—S. L., dated* 11th *August* 1931.

As Amended on 29th August 1931.

MEMO OF INSTRUCTIONS TO HOLDERS OF 7 PER CENT MYSORE GOVERNMENT BONDS OF 1931.

The principal of the 7 per cent Bonds which are due to be discharged on 1st November 1931 will be repaid at the office of the Comptroller to the Government of Mysore, Bangalore, or the Treasuries or Banks in which the interest thereon is being paid now, *viz.*, Treasuries in the Mysore State, the District Treasuries in British India and the Bank of Mysore, Ltd., Bangalore, and the offices of the Deputy-Controllers of the Currency, Bombay and Calcutta.

2. As 1st November 1931 happens to be a Sunday, the principal will be repaid on the previous day, *i.e.*, 31st October 1931. The interest due for the half-year ending 31st October 1931 will also be repaid on 31st October 1931 along with the principal.

3. The Paying Officers are authorised to make payments straight away without consulting the Comptroller, Bangalore, in only certain cases, and are required in other cases to send the bonds for examination to him. To avoid delay in payment, which may be caused by this procedure, holders are requested to lodge their bonds with the Officers authorised to pay the principal as noted above or to send them over to the Comptroller, Bangalore, for the examination of endorsements one month previously, *i.e.*, from 1st October 1931. This will facilitate the principal being repaid on the due date.

4. Holders of stock certificates should intimate any change of address to the Comptroller to the Government of Mysore, Bangalore, at once. They should arrange to complete any transfers they wish to make, well before the due date. They will get the principal repaid by the officers, who pay the interest warrants for the last half-year.

5. The securities tendered by the holder should be duly discharged under his signature as "Received the principal due on this note or stock certificate" as the case may be. In cases where more than one bond is presented for payment, the following alternative form of discharge may also be adopted. The discharge on one bond should be as "Received the principal of Rs..... .....due on this bond and bonds numbered..... ....." On all the other bonds the discharge will be as "Received the principal of this bond as specified on bond number....." (the first bond.)

6. Where the title to give discharge or to endorse the bond has been derived from a legal document other than a power of attorney, *e.g.*, a succession certificate, probate, etc., such documents will have to be previously accepted by the Comptroller, Mysore Government before payment can be made. The bonds and the documents should therefore be sent to him well in advance of the due date.

7. The signature of a lady in a language other than English or Kannada will have to be transliterated into English and authenticated by a stipendiary Magistrate or the Treasury Officer.

8 The discharge receipt and thumb impression of an illiterate person should be attested by a stipendiary Magistrate or the Treasury Officer as follows :—

"Certified that the above discharge receipt was explained to.....and he is satisfied with the meaning and effect of the discharge receipt in token of which he has affixed his left thumb impression before me."

Signature.....

9. Any further information required may be obtained from the interest paying officers or from the Comptroller, Mysore Government, Bangalore.

2. As 1st November 1931 happens to be a Sunday, the principal will be repaid on the previous day, *i.e.*, 31st October 1931. The interest due for the half-year ending 31st October 1931 will also be repaid on 31st October 1931 along with the principal.

3. The Paying Officers are authorised to make payments straight away without consulting the Comptroller, Bangalore, in only certain cases, and are required in other cases to send the bonds for examination to him. This will facilitate the principal being repaid on the due date.

4. Holders of stock certificates should intimate any change of address to the Comptroller to the Government of Mysore, Bangalore, at once. They should arrange to complete any transfers they wish to make, well before the due date. They will get the principal repaid by the officers, who pay the interest warrants for the last half-year.

5. The securities tendered by the holder should be duly discharged under his signature as "Received the principal due on this note or stock certificate" as the case may be. In cases where more than one bond is presented for payment, the following alternative form of discharge may also be adopted. The discharge on one bond should be as "Received the principal of Rs..... ..... ...due on this bond and bonds numbered..... ....." On all the other bonds the discharge will be as "Received the principal of this bond as specified on bond number....." (the first bond.)

6. Where the title to give discharge or to endorse the bond has been derived from a legal document other than a power of attorney, *e.g.*, a succession certificate, probate, etc., such documents will have to be previously accepted by the Comptroller, Mysore Government before payment can be made. The bonds and the documents should therefore be sent to him well in advance of the due date.

7. The signature of a lady in a language other than English or Kannada will have to be transliterated into English and authenticated by a stipendiary Magistrate or the Treasury Officer.

8 The discharge receipt and thumb impression of an illiterate person should be attested by a stipendiary Magistrate or the Treasury Officer as follows :—

"Certified that the above discharge receipt was explained to.....and he is satisfied with the meaning and effect of the discharge receipt in token of which he has affixed his left thumb impression before me."

Signature.....

*Circular No. 2—S. L., dated* 11th *August* 1931.

As Amended on 29th August 1931.

MEMO OF INSTRUCTIONS TO HOLDERS OF 7 PER CENT MYSORE GOVERNMENT BONDS OF 1931.

The principal of the 7 per cent Bonds which are due to be discharged on 1st November 1931 will be repaid at the office of the Comptroller to the Government of Mysore, Bangalore, or the Treasuries or Banks in which the interest thereon is being paid now, *viz.*, Treasuries in the Mysore State, the District Treasuries in British India and the Bank of Mysore, Ltd., Bangalore, and the offices of the Deputy-Controllers of the Currency, Bombay and Calcutta.

2. As 1st November 1931 happens to be a Sunday, the principal will be repaid on the previous day, *i.e.*, 31st October 1931. The interest due for the half-year ending 31st October 1931 will also be repaid on 31st October 1931 along with the principal.

3. The Paying Officers are authorised to make payments straight away without consulting the Comptroller, Bangalore, in only certain cases, and are required in other cases to send the bonds for examination to him. To avoid delay in payment, which may be caused by this procedure, holders are requested to lodge their bonds with the Officers authorised to pay the principal as noted above or to send them over to the Comptroller, Bangalore, for the examination of endorsements one month previously, *i.e.*, from 1st October 1931. This will facilitate the principal being repaid on the due date.

4. Holders of stock certificates should intimate any change of address to the Comptroller to the Government of Mysore, Bangalore, at once. They should arrange to complete any transfers they wish to make, well before the due date. They will get the principal repaid by the officers, who pay the interest warrants for the last half-year.

5. The securities tendered by the holder should be duly discharged under his signature as "Received the principal due on this note or stock certificate" as the case may be. In cases where more than one bond is presented for payment, the following alternative form of discharge may also be adopted. The discharge on one bond should be as "Received the principal of Rs..... ..... ...due on this bond and bonds numbered..... ....." On all the other bonds the discharge will be as "Received the principal of this bond as specified on bond number....." (the first bond.)

6. Where the title to give discharge or to endorse the bond has been derived from a legal document other than a power of attorney, *e.g.*, a succession certificate, probate, etc., such documents will have to be previously accepted by the Comptroller, Mysore Government before payment can be made. The bonds and the documents should therefore be sent to him well in advance of the due date.

7. The signature of a lady in a language other than English or Kannada will have to be transliterated into English and authenticated by a stipendiary Magistrate or the Treasury Officer.

8 The discharge receipt and thumb impression of an illiterate person should be attested by a stipendiary Magistrate or the Treasury Officer as follows :—

"Certified that the above discharge receipt was explained to.....and he is satisfied with the meaning and effect of the discharge receipt in token of which he has affixed his left thumb impression before me."

Signature.....

9. Any further information required may be obtained from the interest paying officers or from the Comptroller, Mysore Government, Bangalore.

## COMPTROLLER'S OFFICE, BANGALORE.

*Circular No. 2—S. L., dated 11th August 1931.*

As Amended on 29th August 1931.

MEMO OF INSTRUCTIONS TO HOLDERS OF 7 PER CENT MYSORE GOVERNMENT BONDS OF 1931.

The principal of the 7 per cent Bonds which are due to be discharged on 1st November 1931 will be repaid at the office of the Comptroller to the Government of Mysore, Bangalore, or the Treasuries or Banks in which the interest thereon is being paid now, *viz.*, Treasuries in the Mysore State, the District Treasuries in British India and the Bank of Mysore, Ltd., Bangalore, and the offices of the Deputy-Controllers of the Currency, Bombay and Calcutta.

2. As 1st November 1931 happens to be a Sunday, the principal will be repaid on the previous day, *i.e.*, 31st October 1931. The interest due for the half-year ending 31st October 1931 will also be repaid on 31st October 1931 along with the principal.

3. The Paying Officers are authorised to make payments straight away without consulting the Comptroller, Bangalore, in only certain cases, and are required in other cases to send the bonds for examination to him. To avoid delay in payment, which may be caused by this procedure, holders are requested to lodge their bonds with the Officers authorised to pay the principal as noted above or to send them over to the Comptroller, Bangalore, for the examination of endorsements one month previously, *i.e.*, from 1st October 1931. This will facilitate the principal being repaid on the due date.

4. Holders of stock certificates should intimate any change of address to the Comptroller to the Government of Mysore, Bangalore, at once. They should arrange to complete any transfers they wish to make, well before the due date. They will get the principal repaid by the officers, who pay the interest warrants for the last half-year.

5. The securities tendered by the holder should be duly discharged under his signature as "Received the principal due on this note or stock certificate" as the case may be. In cases where more than one bond is presented for payment, the following alternative form of discharge may also be adopted. The discharge on one bond should be as "Received the principal of Rs.....due on this bond and bonds numbered....." On all the other bonds the discharge will be as "Received the principal of this bond as specified on bond number....." (the first bond.)

6. Where the title to give discharge or to endorse the bond has been derived from a legal document other than a power of attorney, *e.g.*, a succession certificate, probate, etc., such documents will have to be previously accepted by the Comptroller, Mysore Government before payment can be made. The bonds and the documents should therefore be sent to him well in advance of the due date.

7. The signature of a lady in a language other than English or Kannada will have to be transliterated into English and authenticated by a stipendiary Magistrate or the Treasury Officer.

8 The discharge receipt and thumb impression of an illiterate person should be attested by a stipendiary Magistrate or the Treasury Officer as follows :—

"Certified that the above discharge receipt was explained to.....and he is satisfied with the meaning and effect of the discharge receipt in token of which he has affixed his left thumb impression before me."

Signature.....

9. Any further information required may be obtained from the interest paying officers or from the Comptroller, Mysore Government, Bangalore.

## COMPTROLLER'S OFFICE, BANGALORE.

SUBJECT.—**Entry of date of birth in Service Registers.**

*Circular No.* 210—*TAD.B., dated* 1*st October* 1931.

To

All Heads of Offices

In extracts of Service Registers relating to dates of birth sent by heads of offices to the State Life Insurance Office, full details *re* date of birth and the document on which it is based are, it is understood, not furnished invariably. This is evidently due to the omission to record these particulars in the Service Registers themselves when these are written up.

Attention is therefore invited to para 27 of the Annexure to M. C. A. C. Volume I, laying down, among other things, that the entry in the Service Register regarding date of birth should be full and that it should indicate on what evidence the date of birth is accepted by the appointing officer or the head of the office. For this purpose, a new column " Document on which the entry of date is based " has been provided in the Service Registers newly printed. The following will be printed as a foot note in the Service Register when it is next printed :—

The following shall be considered as satisfactory proof of age .—

1. An authenticated extract from the birth register or the Baptismal Register ;
2. Original copy of the horoscope, or correspondence at the time of birth supported by a declaration before the head of the office; or
3. An affidavit of parent of the applicant or a close relative who has knowledge of the approximate date of birth of the applicant signed before an officer, who is competent to administer oath. In every case, the official should make a declaration by himself that he is producing the best evidence he can get and that he binds himself to the age so given."

## COMPTROLLER'S OFFICE, BANGALORE.

*Circular No.* 2—*S. L., dated* 11th *August* 1931.

As Amended on 29th August 1931.

### MEMO OF INSTRUCTIONS TO HOLDERS OF 7 PER CENT MYSORE GOVERNMENT BONDS OF 1931.

The principal of the 7 per cent Bonds which are due to be discharged on 1st November 1931 will be repaid at the office of the Comptroller to the Government of Mysore, Bangalore, or the Treasuries or Banks in which the interest thereon is being paid now, *viz.*, Treasuries in the Mysore State, the District Treasuries in British India and the Bank of Mysore, Ltd., Bangalore, and the offices of the Deputy-Controllers of the Currency, Bombay and Calcutta.

2. As 1st November 1931 happens to be a Sunday, the principal will be repaid on the previous day, *i.e.*, 31st October 1931. The interest due for the half-year ending 31st October 1931 will also be repaid on 31st October 1931 along with the principal.

3. The Paying Officers are authorised to make payments straight away without consulting the Comptroller, Bangalore, in only certain cases, and are required in other cases to send the bonds for examination to him. To avoid delay in payment, which may be caused by this procedure, holders are requested to lodge their bonds with the Officers authorised to pay the principal as noted above or to send them over to the Comptroller, Bangalore, for the examination of endorsements one month previously, *i.e.*, from 1st October 1931. This will facilitate the principal being repaid on the due date.

4. Holders of stock certificates should intimate any change of address to the Comptroller to the Government of Mysore, Bangalore, at once. They should arrange to complete any transfers they wish to make, well before the due date. They will get the principal repaid by the officers, who pay the interest warrants for the last half-year.

5. The securities tendered by the holder should be duly discharged under his signature as "Received the principal due on this note or stock certificate" as the case may be. In cases where more than one bond is presented for payment, the following alternative form of discharge may also be adopted. The discharge on one bond should be as "Received the principal of Rs..... ..... ...due on this bond and bonds numbered..... ....." On all the other bonds the discharge will be as "Received the principal of this bond as specified on bond number....." (the first bond.)

6. Where the title to give discharge or to endorse the bond has been derived from a legal document other than a power of attorney, *e.g.*, a succession certificate, probate, etc., such documents will have to be previously accepted by the Comptroller, Mysore Government before payment can be made. The bonds and the documents should therefore be sent to him well in advance of the due date.

7. The signature of a lady in a language other than English or Kannada will have to be transliterated into English and authenticated by a stipendiary Magistrate or the Treasury Officer.

8. The discharge receipt and thumb impression of an illiterate person should be attested by a stipendiary Magistrate or the Treasury Officer as follows:—

"Certified that the above discharge receipt was explained to.....and he is satisfied with the meaning and effect of the discharge receipt in token of which he has affixed his left thumb impression before me."

Signature.....

9. Any further information required may be obtained from the interest paying officers or from the Comptroller, Mysore Government, Bangalore.

No. Fl. 1452—G. F. 25-31-1, *Bangalore, dated the 20th August 1931.*

**Facilities for reinvestment of holdings in Mysore 7 per cent Bonds of 1931.**

As already notified in Circular No. 2—S. L., dated 11th August 1931, arrangements have been made to repay in cash on 31st October 1931, the principal of the *Mysore Government* 7 per cent bonds, in British India, and in Mysore State, at all places at which interest on them is now being paid.

2. A large number of holders of the 7 per cent bonds who did not avail themselves of the conversion facilities offered by the Government of Mysore in 1930 have enquired, if they can exchange their holdings for 5 per cent 1955 and 5½ per cent 1938 Mysore bonds. SUBJECT.—**Entry of date of birth in Service Registers.**

*Circular No. 210—TAD.B., dated 1st October 1931.*

To

All Heads of Offices

In extracts of Service Registers relating to dates of birth sent by heads of offices to the State Life Insurance Office, full details *re* date of birth and the document on which it is based are, it is understood, not furnished invariably. This is evidently due to the omission to record these particulars in the Service Registers themselves when these are written up.

Attention is therefore invited to para 27 of the Annexure to M. C. A. C. Volume I, laying down, among other things, that the entry in the Service Register regarding date of birth should be full and that it should indicate on what evidence the date of birth is accepted by the appointing officer or the head of the office. For this purpose, a new column "Document on which the entry of date is based" has been provided in the Service Registers newly printed. The following will be printed as a foot note in the Service Register when it is next printed :—

The following shall be considered as satisfactory proof of age :—

1. An authenticated extract from the birth register or the Baptismal Register ;
2. Original copy of the horoscope, or correspondence at the time of birth supported by a declaration before the head of the office; or
3. An affidavit of parent of the applicant or a close relative who has knowledge of the approximate date of birth of the applicant signed before an officer, who is competent to administer oath. In every case, the official should make a declaration by himself that he is producing the best evidence he can get and that he binds himself to the age so given."

Heads of offices are requested to see that the columns 'Date of birth (by Hindu era or Christian era) and Document on which the entry of date in the Service Register is based' are correctly filled in and that the document accepted as evidence for the date of birth is one of those referred to in Clause C, Para 27 of the Annexure to M.C.A.C., Volume I.

They will also see that information regarding date of birth is furnished to the Insurance Office in a complete and correct manner.

COMPTROLLER'S OFFICE, BANGALORE.

SUBJECT.—**Entry of date of birth in Service Registers.**

*Circular No.* 210—*TAD.B., dated* 1*st October* 1931.

To

All Heads of Offices

In extracts of Service Registers relating to dates of birth sent by heads of offices to the State Life Insurance Office, full details *re* date of birth and the document on which it is based are, it is understood, not furnished invariably. This is evidently due to the omission to record these particulars in the Service Registers themselves when these are written up.

Attention is therefore invited to para 27 of the Annexure to M. C. A. C. Volume I, laying down, among other things, that the entry in the Service Register regarding date of birth should be full and that it should indicate on what evidence the date of birth is accepted by the appointing officer or the head of the office. For this purpose, a new column "Document on which the entry of date is based" has been provided in the Service Registers newly printed. The following will be printed as a foot note in the Service Register when it is next printed :—

The following shall be considered as satisfactory proof of age .—

1. An authenticated extract from the birth register or the Baptismal Register ;
2. Original copy of the horoscope, or correspondence at the time of birth supported by a declaration before the head of the office; or
3. An affidavit of parent of the applicant or a close relative who has knowledge of the approximate date of birth of the applicant signed before an officer, who is competent to administer oath. In every case, the official should make a declaration by himself that he is producing the best evidence he can get and that he binds himself to the age so given."

Heads of offices are requested to see that the columns 'Date of birth (by Hindu era or Christian era) and Document on which the entry of date in the Service Register is based' are correctly filled in and that the document accepted as evidence for the date of birth is one of those referred to in Clause C, Para 27 of the Annexure to M.C.A.C., Volume I.

They will also see that information regarding date of birth is furnished to the Insurance Office in a complete and correct manner.

S. SHAMANNA,
*Compiroller.*

## COMPTROLLER'S OFFICE, BANGALORE.

SUBJECT.—**Instructions regarding the manner in which the reductions due to cut in salaries should be shown in the Salary and Establishment Bills, etc.**

*Circular No.* 212—*TAD.Mis., dated* 13*th November* 1931.

To

(1) All Gazetted Officers.
(2) All Treasury Officers.
(3) All Heads of Offices and Disbursing Officers.

Attention is invited to G. O. No. F1. 3081-140—G. F. 90-31-1, dated 2nd November 1931, published in the *Mysore Gazette*, dated 5th November 1931, directing a percentage reduction in salaries of Government Officers with effect from 1st November 1931 (*i.e.*, in respect of salaries and leave allowances accruing from and after that date). All Gazetted Officers will study this Government Order carefully and draw salary accordingly. The Treasury Officers also will study the rules and see if the amounts drawn by the Gazetted Officers are correct. No separate Pay Slip will be issued by the Audit Office in the present case as the alterations in salaries are in accordance with the General Order of Government quoted above. If any doubt is felt by the Gazetted or Treasury Officers in particular cases, they may refer the same to the Audit Office for opinion, the undisputed claim only being claimed or passed pending the receipt of instructions of the Audit Office. The salary cut will apply to acting, and charge allowances and *sub pro tem* pay, and all items included under the definition of pay excepting "Duty Allowance".

2. In the case of Non-Gazetted Officers, the drawing officers are responsible to see that correct amounts are drawn and they will also similarly get all doubts cleared by addressing the Audit Office Pending instructions from the Audit Office, it would be safer to draw the lesser undisputed amount, the difference, if any, being left to be claimed later. The Treasury Officers should see that retrenchment orders issued by the Audit Office for excess payments, if any, noticed in audit are given effect to promptly.

3. The following instructions are issued regarding the manner in which the present sanctioned rates of salaries and the reduced rates should be shown in the salary and establishment bills and other documents.

(*a*) **Salary Bills of Gazetted Officers.**—

The column "Monthly Rate" will be split up into two, to show unreduced and reduced salary making them "U. R. S." and "R. S." respectively, a portion of the blank space in the Salary Bill Form to the left of the money column being utilised for opening the additional money column. These two columns will be separately totalled so that the total sanctioned amount as per scale before and after reduction may be readily known. In the last money column "Amount", the amount claimed as per reduced rates will be shown.

(*b*) **Establishment Bills.**—

In columns 4 to 7, the unreduced pay or salary will be shown as hitherto and the total of the reduced salary (including allowances) will be shown in column 8 (Now used for noting amounts held over for future payment), the heading being changed as "Reduced salary." Amounts withheld and Fines, will be noted in Column 9 (Fines) the heading being changed as "withheld amounts and fines", fines being entered in the respective places in red ink with a distinctive mark "F" the black ink entries representing withheld amounts. There should be separate totals for "withheld amounts" and fines.

(*c*) In all financial documents appended to Establishment Bills such as Statement of Substantive changes, Absentee Statement, Increment Certificate and Last Pay Certificate, both the original (unreduced) and reduced rates of pay or salary should be shown separately. Similarly, these will be noted in the Office Baraward (Acquittance Roll) and Service Books also for future reference.

4. In the case of advances for purchase of Motor Cars and for building and purchasing houses, an officer has the option of paying at present rates or to pay instalments of reduced amounts based on his reduced salary. In some cases it may so happen that the reduced salary may be more than the salary at the time the advance was drawn and on which the present instalment is based. In such cases, the present instalment will continue unchanged. In other cases, each officer will state in the remarks column of the deduction statement attached to the bill for November 1931, whether he will continue to pay according to his unreduced salary or elects to pay on the basis of the reduced salary, *i.e.*, 25 per cent thereof in the case of House Building Advances and 1/9 of the reduced salary in the case of Motor Vehicle Advances. The election made will have to be adhered to for the future. In all cases in which the amount of repayment towards the principal is reduced, the Audit Office will intimate in due course the amount to be deducted monthly towards interest. Pending receipt of such intimation and subsequent adjustment, the amount at present being deducted towards interest will continue to be deducted.

5. In cases in which house rent is recovered as a proportion of an officer's salary, it will be calculated on the reduced salary after cut.

## COMPTROLLER'S OFFICE, BANGALORE.

SUBJECT.—**Instructions regarding the manner in which the reductions due to cut in salaries should be shown in the Salary and Establishment Bills, etc.**

*Circular No.* 212—*TAD.Mis., dated* 13*th* *November* 1931.

To

(1) All Gazetted Officers.
(2) All Treasury Officers.
(3) All Heads of Offices and Disbursing Officers.

Attention is invited to G. O. No. F1. 3081-140—G. F. 90-31-1, dated 2nd November 1931, published in the *Mysore Gazette*, dated 5th November 1931, directing a percentage reduction in salaries of Government Officers with effect from 1st November 1931 (*i.e.*, in respect of salaries and leave allowances accruing from and after that date). All Gazetted Officers will study this Government Order carefully and draw salary accordingly. The Treasury Officers also will study the rules and see if the amounts drawn by the Gazetted Officers are correct. No separate Pay Slip will be issued by the Audit Office in the present case as the alterations in salaries are in accordance with the General Order of Government quoted above. If any doubt is felt by the Gazetted or Treasury Officers in particular cases, they may refer the same to the Audit Office for opinion, the undisputed claim only being claimed or passed pending the receipt of instructions of the Audit Office. The salary cut will apply to acting, and charge allowances and *sub pro tem* pay, and all items included under the definition of pay excepting "Duty Allowance".

2. In the case of Non-Gazetted Officers, the drawing officers are responsible to see that correct amounts are drawn and they will also similarly get all doubts cleared by addressing the Audit Office Pending instructions from the Audit Office, it would be safer to draw the lesser undisputed amount, the difference, if any, being left to be claimed later. The Treasury Officers should see that retrenchment orders issued by the Audit Office for excess payments, if any, noticed in audit are given effect to promptly.

3. The following instructions are issued regarding the manner in which the present sanctioned rates of salaries and the reduced rates should be shown in the salary and establishment bills and other documents.

(*a*) **Salary Bills of Gazetted Officers.**—

The column "Monthly Rate" will be split up into two, to show unreduced and reduced salary making them "U. R. S." and "R. S." respectively, a portion of the blank space in the Salary Bill Form to the left of the money column being utilised for opening the additional money column. These two columns will be separately totalled so that the total sanctioned amount as per scale before and after reduction may be readily known. In the last money column "Amount", the amount claimed as per reduced rates will be shown.

(*b*) **Establishment Bills.**—

In columns 4 to 7, the unreduced pay or salary will be shown as hitherto and the total of the reduced salary (including allowances) will be shown in column 8 (Now used for noting amounts held over for future payment), the heading being changed as "Reduced salary." Amounts withheld and Fines, will be noted in Column 9 (Fines) the heading being changed as "withheld amounts and fines", fines being entered in the respective places in red ink with a distinctive mark "F" the black ink entries representing withheld amounts. There should be separate totals for "withheld amounts" and fines.

(*c*) In all financial documents appended to Establishment Bills such as Statement of Substantive changes, Absentee Statement, Increment Certificate and Last Pay Certificate, both the original (unreduced) and reduced rates of pay or salary should be shown separately. Similarly, these will be noted in the Office Baraward (Acquittance Roll) and Service Books also for future reference.

4. In the case of advances for purchase of Motor Cars and for building and purchasing houses, an officer has the option of paying at present rates or to pay instalments of reduced amounts based on his reduced salary. In some cases it may so happen that the reduced salary may be more than the salary at the time the advance was drawn and on which the present instalment is based. In such cases, the present instalment will continue unchanged. In other cases, each officer will state in the remarks column of the deduction statement attached to the bill for November 1931, whether he will continue to pay according to his unreduced salary or elects to pay on the basis of the reduced salary, *i.e.*, 25 per cent thereof in the case of House Building Advances and 1/9 of the reduced salary in the case of Motor Vehicle Advances. The election made will have to be adhered to for the future. In all cases in which the amount of repayment towards the principal is reduced, the Audit Office will intimate in due course the amount to be deducted monthly towards interest. Pending receipt of such intimation and subsequent adjustment, the amount at present being deducted towards interest will continue to be deducted.

5. In cases in which house rent is recovered as a proportion of an officer's salary, it will be calculated on the reduced salary after cut.

S. SHAMANNA,

G. MALLIKARJUNIAH,
*Sub-Division Officer.*

COMPTROLLER'S OFFICE, BANGALORE.

SUBJECT.—**Instructions regarding the manner in which the reductions due to cut in salaries should be shown in the Salary and Establishment Bills, etc.**

*Circular No. 2) 3—TAD.Mis., dated 13th November* 1931.

To

(1) All Gazetted Officers.
(2) All Treasury Officers.
(3) All Heads of Offices and Disbursing Officers.

Attention is invited to G. O. No. F1. 3081-140—G. F. 90-31-1, dated 2nd November 1931, published in the *Mysore Gazette*, dated 5th November 1931, directing a percentage reduction in salaries of Government Officers with effect from 1st November 1931 (*i.e.*, in respect of salaries and leave allowances accruing from and after that date). All Gazetted Officers will study this Government Order carefully and draw salary accordingly. The Treasury Officers also will study the rules and see if the amounts drawn by the Gazetted Officers are correct. No separate Pay Slip will be issued by the Audit Office in the present case as the alterations in salaries are in accordance with the General Order of Government quoted above. If any doubt is felt by the Gazetted or Treasury Officers in particular cases, they may refer the same to the Audit Office for opinion, the undisputed claim only being claimed or passed pending the receipt of instructions of the Audit Office. The salary cut will apply to acting and charge allowances and *sub pro tém* pay, and all items included under the definition of pay excepting "Duty Allowance".

2. In the case of Non-Gazetted Officers, the drawing officers are responsible to see that correct amounts are drawn and they will also similarly get all doubts cleared by addressing the Audit Office. Pending instructions from the Audit Office, it would be safer to draw the lesser undisputed amount, the difference, if any, being left to be claimed later. The Treasury Officers should see that retrenchment orders issued by the Audit Office for excess payments, if any, noticed in audit are given effect to promptly.

3. The following instructions are issued regarding the manner in which the present sanctioned rates of salaries and the reduced rates should be shown in the salary and establishment bills and other documents.

(*a*) **Salary Bills of Gazetted Officers.**—

The column "Monthly Rate" will be split up into two, to show unreduced and reduced salary making them "U. R. S." and "R. S." respectively, a portion of the blank space in the Salary Bill Form to the left of the money column being utilised for opening the additional money column. These two columns will be separately totalled so that the total sanctioned amount as per scale before and after reduction may be readily known. In the last money column "Amount", the amount claimed as per reduced rates will be shown.

(*b*) **Establishment Bills.**—

In columns 4 to 7, the unreduced pay or salary will be shown as hitherto and the total of the reduced salary (including allowances) will be shown in column 8 (Now used for noting amounts held over for future payment), the heading being changed as "Reduced salary." Amounts withheld and Fines, will be noted in Column 9 (Fines) the heading being changed as "withheld amounts and fines"; fines being entered in the respective places in red ink with a distinctive mark "F" the black ink entries representing withheld amounts. There should be separate totals for "withheld amounts" and fines.

(*c*) In all financial documents appended to Establishment Bills such as Statement of Substantive changes, Absentee Statement, Increment Certificate and Last Pay Certificate, both the original (unreduced) and reduced rates of pay or salary should be shown separately. Similarly, these will be noted in the Office Baraward (Acquittance Roll) and Service Books also for future reference.

4. In the case of advances for purchase of Motor Cars and for building and purchasing houses, an officer has the option of paying at present rates or to pay instalments of reduced amounts based on his reduced salary. In some cases it may so happen that the reduced salary may be more than the salary at the time the advance was drawn and on which the present instalment is based. In such cases, the present instalment will continue unchanged. In other cases, each officer will state in the remarks column of the deduction statement attached to the bill for November 1931, whether he will continue to pay according to his unreduced salary or elects to pay on the basis of the reduced salary, *i.e.*, 25 per cent thereof in the case of House Building Advances and 1/9 of the reduced salary in the case of Motor Vehicle Advances. The election made will have to be adhered to for the future. In all cases in which the amount of repayment towards the principal is reduced, the Audit Office will intimate in due course the amount to be deducted monthly towards interest. Pending receipt of such intimation and subsequent adjustment, the amount at present being deducted towards interest will continue to be deducted.

5. In cases in which house rent is recovered as a proportion of an officer's salary, it will be calculated on the reduced salary after cut.

S. SHAMANNA,
*Comptroller.*

## APPENDIX A.

**Report of the Committee appointed to consider the question of standard with reference to qualification for admission of S. S. L. C. students to the University and to inquire into the causes of the large number of failures in the Intermediate Examinations held in March 1930, and to suggest remedial measures.**

First meeting

At a meeting held on 18th August 1930, the Committee discussed in a general way the subjects of the terms of reference from the Senate.

As a first step, the percentage of failures in each of the several subjects of the Intermediate Examination of 1930 was scrutinised. Judged by this, the most marked deficiency was found to be in English.

A letter from Principal Rollo, dated the 7th March 1930, was read, in which he pointed out a serious decline in the standard of English in the University in recent years. Members of the Committee corroborated this opinion from their own experience.

It was suggested that a short *questionnaire* should be addressed to the Chairmen of Boards of Examiners to elicit their impressions of the maintenance of the standard in their particular subjects at the Intermediate Examination.

It was suggested also that information should be obtained regarding the amount of exercise work required of students and duly corrected in the several Intermediate colleges.

Second meeting.

Information on these points having been obtained, the questions were again considered at a meeting held on the 6th March 1931.

At this meeting it was suggested that a comparative statement of failures—particularly in English—in the Intermediate Examination of the South Indian Universities might be obtained so as to enable the Committee to find out whether the weakness in English was confined to Mysore only, or was more general. It was desired further that information might be furnished regarding the number of students and of teachers in the Intermediate classes particularly in respect of English.

Conference of English Teachers

These details having been prepared, the Vice-Chancellor felt that a Conference of Teachers of English might with advantage be convened before the Committee met again. A conference was convened in Mysore on the 18th September 1931. A report of the proceedings of the Conference of Teachers of English is enclosed.

Third meeting.

This report and the statistics called for were considered at a meeting of the committee held on the 2nd November 1931, and the committee resolved to report to the Senate as follows :—

Present defects.

The Committee are agreed that the low percentage of passes at the Intermediate Examination is an indication of an unsatisfactory state of affairs. This appears to be due to the following causes :—

(*a*) The admission to the Intermediate classes of very a large proportion of students insufficiently prepared for a University course ;

(*b*) The low standard of attainment, especially in English, accepted for admission to the University ;

(*c*) The overcrowding of the Intermediate classes, rendering impossible the individual attention on the part of the teacher to each student which is so specially necessary in a preliminary course like the Intermediate.

(*d*) The unfortunate necessity forced on the University by reason of the large number of students admitted to the Intermediate Colleges and the proportionately small funds available for working those colleges, and of staffing the Colleges largely with low paid teachers, too many of whom are young and without sufficient teaching experience ;

(*e*) A possible overloading of the syllabus in certain subjects of the Intermediate course of studies which has been brought to notice by the Chairmen of the Boards of studies concerned.

Suggestions for improvements

The Committee are of opinion that a very considerable raising of the standard of admission to the University is urgently called for, and that a consequence of such raising of standard would almost certainly be, not merely a raising of the percentage of passes at the Intermediate Examination but an increase in the actual number of students passing, since under present conditions, even the better sort of Intermediate students are at a serious disadvantage through lack of sufficient personal attention from their teachers. By the present system, the colleges while endeavouring to cope with the large number of unsuitable students, fail adequately to benefit even those properly qualified. This represents a waste of effort and resources which should be put a stop to.

The Committee consider that the present system of delegating to an extra-university body the examination of candidates for admission to the University requires modification and are of opinion that the University should have fuller control of the testing of candidates for admission. They recommend as the proper method to secure this end the addition to the present S. S. L. C. Examination of supplementary papers to be set and valued by the University.

The Committee agree with the Conference of Teachers of English that the test should include a paper on General English (including English Grammar and Composition) and they would add another paper on General Knowledge. These two papers should be of three hours' duration each. Only those who satisfy the examiners in the test and in addition obtain the prescribed differential minima at the S. S. L. C. Examination will be eligible for admission to the University.

The Committee further agree that the Intermediate English course may be revised so as to include three papers in English namely, (i) Poetry and Drama; (ii) Prose (iii) General English. It is not intended that this should add materially to the class work of the students.

Conclusion

The fact that at present a 40 per cent pass at each stage of the complete University course (representing a 16 per cent chance of graduating without any failure, which faces the student entering the University), added to the further fact that nearly the whole of the graduating candidates pass in the third class, appears to call for large reforms in the working of the University particularly in the selection and the teaching of students.

The Committee are satisfied that the high failure rate is not to be attributed to an unduly high standard of examination or to unnecessarily severe valuing of answer papers or to deficiency of effort of teachers or to any serious inadequacy in material equipment for teaching the various subjects.

The Committee are strongly of opinion that the present minima should not be reduced in any subject.

The Committee have no doubt at all that the conditions which they have been appointed to investigate are ultimately rooted almost entirely in the following causes;

(*a*) Overcrowding of classes;
(*b*) Admission of insufficiently prepared students to the Junior Intermediate classes;
(*c*) Some overloading of the curricula in certain subjects.

The remedies suggested are as follows :—

(i) The institution of a further test of suitability for admission to the University Courses (conducted by the University) for admission to the University courses; this test to consist of two papers of three hours each on—

(1) English Grammar and Composition
(2) General Knowledge

and to be taken by candidates for the S. S. L. C. Examination desirous of seeking admission to the University.

(ii) A revision of the Intermediate course of studies and scheme of examination so as to lighten the course in subjects in which it is felt to bear heavily and to make the examination in English a more satisfactory tests as suggested in the preceding section.

The Committee further consider it desirable that the University should have its own Matriculation Examination in place of the S. S. L. C. Examination even with the latter supplemented as proposed above.

The Vice-Chancellor explained that the object of the Conference was to enquire into the standard of English attained by the average student who enters the Junior Intermediate class and the competence of such student to follow the course of instruction in the Intermediate classes and to discuss the improvements, if any, needed in the standard of admission to the Intermediate class and in the methods of teaching to be adopted in the Intermediate class.

A letter from Professor Rollo, Chairman of the Board of Examiners in English, was read. The members were also given copies of the Report of the Special Committee appointed by the S. S. L. C. Board to investigate the causes of heavy failures at the S. S. L. C. Public Examination.

The first step in the discussion was to ascertain the personal experiences and views of the members who were actually in touch with the teaching of English in the Intermediate classes. In the general opinion of the members the average student who comes to the Intermediate class is weak in English Grammar and in writing composition. It was generally thought also that the Intermediate course as a whole bears somewhat too heavily on the average student and that students find a certain amount of difficulty in following the instruction given.

Among the improvements suggested, opinion was unanimous that the University should have fuller control over admission to the Intermediate classes from the schools, and particularly that part at least of the examination in English should be in the hands of the University. This would appropriately take the shape of a special paper in General English, comprising Grammar and Composition, this paper to be taken by candidates for admission to the University who had previously satisfied the present requirements in respect of differential minima, etc.

It was agreed that the chief aim of the Intermediate Course in English should be to give the student a command of simple idiomatic English: and that this aim would be attained by frequent exercises in Composition followed by a careful analysis of typical mistakes by the teacher in the class. At the same time students should be encouraged to appreciate the beauties of style and expression of standard writers of works prescribed as texts for study.

The question of reduction of the number of text-books was raised and it was pointed out that according to the reorganised course of studies the number has already been considerably reduced and does not admit of any further reduction. A proposal to give up prescribing non-detailed text-books was not approved. It was pointed out that the time allotted for the teaching of English is insufficient. After some discussion, it was agreed finally that an increase of one hour per week be recommended; that the Composition hour in the Junior class should be devoted to exercises in Grammar and General English, and that in the Senior class to Composition exercises for non-detailed text-books.

It was the definite opinion of the Conference that at the Intermediate Examination there should be three papers in English of three hours each, *viz.*,

(i) Drama and Poetry.
(ii) Prose: Detailed and non-detailed.
(iii) Grammar and General English including paraphrase and epitomisation.

Certain proposals were made regarding the supervision of the teaching of the Junior members of the English staff. No definite decision was arrived at since it was pointed out that the junior members generally drew up the programme of their work in consultation with the senior professors. It was, however, felt that as a rule the senior professor should hold frequent consultations with the other members of the staff so as to co-ordinate their work and to keep in touch with the arrangements for the correction of exercises. Particular attention was drawn by a member to the fact that the scope of teaching in Drama at the Intermediate stage is not defined. It was understood that the suggested consultation between the senior professor and other members of the staff would ensure uniformity of teaching in such matters and that where more institutions than one were concerned a Conference like the present one could, with advantage, be held once each year, with the object among others, of securing the necessary co-ordination.

A proposal to prepare and print a number of composition exercises so as to save the time spent in dictation was also agreed to.
